OUR TEAM

Legacy employs professionals who are licensed, bonded, insured, and respectful of the fact that you are inviting us into your home. Our caregivers are specially trained to work with clients receiving hospice care, those who are part of the LGBTQ community, and those with a variety of medical conditions, including dementia.

*"My needs and errands are always completed and they have helped me get back on my feet since I've been home as I had nothing there when I returned. I would recommend **Legacy Home Care** services to anyone that needs assistance with their daily life."*

– Jerry [client]

WHEN TO CALL

Legacy Home Care services are often started when you or a loved one are:

- Living alone or needing additional support at home
- Overwhelmed with medication prescriptions
- Recently released from the hospital or a transitional care unit
- Living with a chronic medical condition that needs regular monitoring
- Receiving hospice care
